Please complete the AWANA Registration/Medical Release form and include combined fees for both registration and dues for a total of \$35.00 per child. For your convenience, you may also pay two payments of \$17.50, one for the first semester and the other in January for the second semester. These fees help to offset approx. 50% of the direct program cost for the year. Make checks payable to Collierville Bible Church with AWANA written on the memo line. However, do not let cost deter your child's full participation in AWANA – God has always covered financial concerns shared in confidence with the club commander.

Other cost you may incur, depending on your child's previous participation and progress are as follows:

Uniforms:	Cubbies	\$10.00
	Sparks	\$11.00
	T & T	\$20.00

Books:	\$8.00
